~ Students should fulfill 9-unit Faculty Package requirement. Students with advanced standing status may apply for 3-unit exemption through CUSIS. For students who intend to apply for exemption from the Faculty Package courses of the Faculty of Social Science, they should approach the Faculty Office of Social Science for advice first before they submit the application via CUSIS.

***** If course and unit exemptions are granted, the minimum units of courses required for graduation for students admitted with advance standing can be reduced by up to 24 units (which should already include any unit exemptions in the University Core Requirements). The total units required for graduation for students admitted with advance standing may vary because of individual difference in course and unit exemptions, and that the total course and unit exemptions gained need not equal 24 units. For details, please refer to the Undergraduate Student Handbook at https://rgsntl.rgs.cuhk.edu.hk/aqs_prd_applx/Public/Handbook/document.aspx?id=1984&tv=T&lang=en.
