

## 學生感想 High Praises from Students

「個人即政治」，這一句話可謂概括了自己在學習裡的得著與生活中的反思。通過研習性別，我不但提升了對性/別議題的觸覺，更深明社會對弱勢族群論述背後所反映的權力關係。這些經驗使我成為一個思想開明、具批判能力的人，並矢志追求公義、平等及多元的社會。  
— 性別研究第一屆畢業生黎耀祖

“The personal is political” is a motto that I have learnt from the programme and experienced in society. Gender Studies programme does not only increase my sensitivity to gender and sexuality issues, but also helps me understand the power relation behind discourses about minority groups. Such insights nurture me to be a critical person with open-mindedness who is striving for a just, equal and inclusive society.

— Baron Lai, 2017 graduate, BSSc in Gender Studies

這個性別研究課程絕對超出了我的預期，它不但從極之切身的角度剖析性別，彷彿以新鮮的目光審視自己，還讓我更加了解性別如何影響我和社會以至整個世界的連繫，從而有機會反思自己在社群中的定位。

— 2018年入學獎學金得主性別研究本科生薛家欣

Gender Studies is not just about learning gender equality, but also learning issues that cut across individuals, the family, society, and the globe. In the two years of studying Gender Studies, I have opportunities to explore different topics, from personal sexual identities to national policy and legal regulations, society and culture, and history. It deepens the understanding of myself and different aspects of social life, enabling me to reflect on my connection with society in a way that makes learning very practical and very lively.

— Wendy Chan, Entrance Scholarship awardee, Intake of 2017
